Distribution conditions

This product is distributed by the issuer through the channels of the Westlawn branch network.

Distribution conditions for this product include:

- ensuring that retail clients meet the eligibility requirements for the product
- ensuring that distribution is by appropriately trained staff only

There are no other distributors for this product.

How the distribution channels will enable the product to reach consumers in the target market:

- Provide product support and information via staff located in branch network either by face to face interview or telephone or email
- Staff are appropriately trained and accredited

- All applications regardless of channel go through an assessment process

Review triggers

The review triggers that would reasonably suggest that the TMD is no longer appropriate include:

- a significant dealing of the product to consumers outside the target market occurs
- a significant number of complaints is received from customers in relation to their purchase or use of the product that reasonably suggests that the TMD is no longer appropriate
- a material change to the product or the terms and conditions of the product occurs which would cause the TMD to no longer be appropriate

The *Product Governance Framework* includes regular consideration of whether there has been a review trigger following each distribution information report. That consideration is by reference to paragraphs 154 to 156 of RG274.
